

The Writing on My Forehead: A Novel

A brainy, beautiful braid of stories about three generations of a Muslim family. This book will go a long way toward deconstructing stereotypes about American Muslims, and that, on top of its value as a work of fiction, makes it a treasure. Minneapolis Star Tribune A brilliant bestselling debut novel from author Nafisa Haji, *The Writing on My Forehead* describes one woman's struggle with the Indo-Pakistani traditions of her family and her own independence. The San Francisco Chronicle calls Nafisa Haji a talented new writer of sense and a distinct sensibility, and Khaled Hosseini, beloved author of *The Kite Runner* and *A Thousand Splendid Suns*, calls *The Writing on My Forehead* a moving meditation lyrical and touching.
