

Things That Go Bump

Sixteen twisted tales thread their way between humor and horror. The goldfish that wouldn't die. A ghost who overstayed her welcome. The digital photo you mustn't retouch. A strange frozen festival. A hotel that intentionally double-books. The trip of a lifetime. Sin, trespass or debt? An immortal mortuary. A disquieting place for peace and quiet. Friendship where forever means forever. 'Tis the season to be careful. Two people can make interesting magic. When you hear the tone, please flee. What was I looking for again? Lifelike goes only so far. Be happy with whom you are.
