

Three Times a Charm

Thanks to a high-profile wedding extravaganza for a media mogul, the wedding-planning business created by four longtime friends is really taking off. Not surprisingly, each of the friends is handling success in her own special way and one is about to get her very own, very special second chance. . . . The irony of being a never-married wedding planner isn't lost on forty-three-year-old Sarah. But that doesn't mean the free-spirited single mom hasn't known love and, most recently, heartbreak. And while the butter-cream sweetness of wedding rituals strikes her as somewhat silly, work is a welcome distraction as are her friends-turned-colleagues: pragmatic Elaine, dramatic Lily, and newly in love Jo. Yet Sarah is about to get even more distracted by a visitor from her past, one who holds the key to a mystery that has shadowed her life. But to face the truth, she'll need a little help from her friends old and new. From the Paperback edition.
