

Tiger Shrimp Tango: A Novel

All just another day in Serge Storms sun-splashed paradise! Thanks to the growth of the Internet, America finds itself plagued by a noxious epidemic of ruthless scam artists. Where do they all come from? If you guessed 110 percent of them are spawned in Florida, you win the cigar.... When a new digital scheme goes horribly awry - causing innocents to die and a young woman to go missing - only one person can set things right: obsessive Florida trivia buff and reluctant serial killer Serge Storms. Aided by his perpetually addled sidekick, Coleman, and latter-day noir private eye Mahoney, Serge launches a crusade to rid his beloved state of predators and save the girl. But Serge's mission is hampered by one pesky little detail: He's being tracked by a hit man dispatched from his murky past. And all bets are off when Serge learns the same assassin is responsible for killing the love of his life years ago. It's not long before the two begin tracking each other around Florida in a frenzied Mobius loop. It's a dance only one can survive - it's the Tiger Shrimp Tango!
