

Angels in Our Midst: Encounters with Heavenly Messengers from the Bible to Helen Steiner Rice and Billy Graham

A special collection of extraordinary true stories about the presence of angels in our everyday lives. Six-year-old Macy was sleeping peacefully in her family's home when a sudden crash of thunder woke her up. The next thing she realized was that her house had been struck by a bolt of lightning and was engulfed in flames. Macy saw no way out of her bedroom and cried out for her parents. Just moments before the spreading fire would have swallowed her up, an unseen force gently took her by the hand and guided her through the fire and outside to safety. She turned to thank this stranger, only to find no one in sight. It must have been my guardian angel, Macy later concluded. Have you ever wondered if you would be able to spot your guardian angel? *Angels in Our Midst* invites you to ponder the real-life stories of ordinary men and women whose lives have been completely altered by the remarkable work of angels. The stories collected here will help all of us understand the true nature of angels, and realize that their presence provides not just succor, but the reassuring evidence of a loving God who is forever watching over us. Here is your invitation to enter a new level of wonder in your life, explore the ageless mysteries of divine intervention, and discover how you might recognize your own guardian angel in times of need.
