

Rock Stars Cars

Rock stars are known for being wild and extravagant, and this is never truer than with their cars. This witty, irreverent and informative book explores the relationship between 127 rock legends and their cars, complete with amazing photographs. From Keith Richards Bentley to Jim Morrisons Mustang, this book covers all the main rock stars going back to the 1960s. This will be a great book to browse and will appeal to car enthusiasts and music fans alike.
