

True Confessions

Kennedy Logan is gorgeous, talented and in love with Drake Collins. She thinks its the real thing; hes in for the sex. But shes not going to give up winning him without a fight. Because Kennedy doesnt give up after all, she hasnt quit searching for her biological mother who abandoned her at birth. But things get to a point where it all becomes too much, resulting in a failed suicide attempt. Her life then gets considerably worse when her overbearing mother, Dorothy Logan, moves in with her, bent on getting her daughters life back in order. The first step is getting rid of Drake Collins once and for all, with a little help from Kennedys best friend, Taylor. But thats easier said than done. . . . At her psychiatrists advice, Kennedy uses writing as her therapy. She starts to keep a daily journal detailing the erotic circumstances and family drama that led up to her despair. But whats really going on between the pages will be a shocker for everyone involved. . . .
