

# Try Anything Twice: A Gay Mans Erotic Friendship with a Free-Spirited Straight Man

. An uninhibited, seemingly straight young man, Ziggy, becomes sexually active with Josh, a shy, new-found gay friend. Josh has a lot more to offer someone than he has ever been able to show. Ziggy's generosity and genuine affection allow Josh to express feelings and desires he has never shared with anyone before. The friendship begins one early morning in St. Louis when Ziggy rescues Josh from a couple of bad characters. When daylight approaches, Ziggy offers Josh a place to crash--and more: Ziggy proposes they share his little studio apartment and split the rent. The two young men seem to hit it off well from the start, despite their contrasting personalities.

But can an honest and respectful friendship survive even one week of sharing such close quarters? And then there's the roadtrip to Memphis... As a forewarning, readers should understand that this novel contains some sexual scenes which are described in detail.
