

The Turkey Hunt

Will young Hollis make the right choices the first time hes allowed to go turkey hunting by himself? Join him on this exciting hunt that tests his patience, his turkey hunting skills, and his character as hes eventually faced with the big decision on whether to squeeze the trigger or not. This captivating story contains a balance of showing how a good work ethic, respect for adults, practice, and a love for wildlife can all unite together in order to instill good morality into young hunters. If youre searching for another example of practical life lessons that can be learned from spending time outdoors, this book has to be a part of your collection.
