

Istanbul Blues (Turkish Literature)

The stories in Istanbul Blues are filled with Buket Uzuner's remarkable sensitivity and psychological insight, taking us into the memories and imaginations of children and adults, and exploring shared history, love, and attachment to family, friends, lovers, and places. Uzuner's characters share stories that are mythical, mysterious, coincidental, witty, and full of wisdom, and her collection offers readers multiple, rich insights into life in modern Turkey as well as the places explored while traveling abroad. In the hands of an author who is a listener as much as a teller, no matter where they take place, these stories remind us of people we know and of ourselves.
