Whether you own a car, SUV or truck, the Car Sellers Guide can help you to sell or trade your vehicle quickly and for top dollar. Its comprehensive, easy-to-use, and updated for this year. The new Car Sellers Guide 2014 Edition includes all of the key steps in the process, from pricing your car to closing the sale. The Car Sellers Guide is published by automotive enthusiasts, and written for owners of cars, SUVs or trucks who are interested in getting top dollar for their vehicle. The Car Sellers Guide 2014 Edition is updated and expanded. Selling a used vehicle can be complicated. Its also not easy to get a good price

if you trade-in to a dealer. There's a lot to consider: Should I sell to a private party or trade-in to a dealer? What repairs or improvements should I make before selling? How do I set the optimal selling price? Where should I advertise and what should be included my ad? What's the right way to handle all of the paperwork? The Car Sellers Guide will answer those questions and more with specific, actionable advice that helps you evaluate your options and then take action. Here is what you'll find inside -- Contents with hyperlinks to find details on what you need -- Fast Track Topics to quickly locate the most popular topics -- Checklists with details to help you understand and use the information -- Stop Signs summarize and reinforce key points in every chapter -- Action Plans provide a step-by-step summary at the end of each chapter
