

Vision In White (The Bride Quartet)

Book 1 in The Bride Quartet -- Meet childhood friends Parker, Emma, Laurel, and Mac - founder of Vows, one of Connecticut's premier wedding planning companies. With bridal-magazine covers to her credit, Mackensie Mac Elliot is most at home behind the camera - ready to capture the happy moments she never experienced growing up. Carter Maguire is definitely not her type, but there's something about him that makes Mac think a casual fling is just what she needs to take her mind off bridezillas and screening her mother's phone calls. But casual flings can turn into something more when you least expect it.
