

# Waking Up: Lessons Learned Through My Adventures with Life and Breast Cancer

Waking Up is an up-close and personal look at one woman's journey throughout life and breast cancer. She shares intimate stories of divorce, relationships, children, addiction and more, as well as her private journal of her battle with breast cancer. This is a book that has something for everyone. The author shares personal short stories and quotes of her experiences in handling the good times and the bad. Waking Up will tell you how this one woman learned to handle them all with grace, dignity, love and a lot of laughter.
