

## What is Baptism? (Crucial Questions (Reformation Trust))

Summary Baptism is taught in the Bible and has been practiced for centuries, but understanding of its meaning and respect for its importance is at a low ebb today. Confusion reigns over questions about its mode and its place in the life of the Christian, and as a result, even many evangelical congregations are downplaying its significance. This is not the way it should be, Dr. R.C. Sproul declares in this Crucial Questions booklet. Baptism, he affirms, is one of the two sacraments of the Christian church, a sign and seal of the covenant of grace. Therefore, it is a necessary and meaningful practice that is packed with rich symbolism. In this booklet, Dr. Sproul provides help in understanding and appreciating this practice of the church.
