

## The Holy Spirit: A Laymans Perspective

Veterinarian Don Ragland says he's not a theologian, but his experiences with the living, loving third person of the Trinity have taught thousands of men and women how to draw closer to the Holy Spirit. Now *The Holy Spirit: A Layman's Perspective*, Ragland develops what started as Sunday school lessons, then workshops and seminars, into a simple, profound, and powerful introduction to the Holy Spirit. Using insight, personal examples, and biblical truth, he and his wife, Jackie, help all who long to know the power of God in their everyday lives.
