

Four pastors wives. All desperate for something. Is it possible that their desperation will lead to hope? Mimi, Lisa, Jennifer, and Felicia all live in the fishbowl of Red River, Ohio. Everyone expects something from them. Gourmet casseroles. Perfect husbands. Well-behaved children. They expect even more of themselves. The constant demands and always-ringing phones are enough to drive any sane woman crazy. Add to all that the condescending Katherine Fleming Katt -- self-promoting pastors wife of the towns largest church -- who loves to flaunt her superior position. In the midst of such chaos, will each woman find the one thing she longs for? When the unflappable Kitty Katt starts showing up at odd places, the four friends get suspicious. Is Kitty hiding something? What secrets lie behind her perfect exterior? But even more significant than unraveling Kitty Katts secrets is finding answers for themselves.
