

Why Im Excited About the Texas Multi-family Real Estate Market: Investment Opportunities in the Texas Apartment Industry

It was the best of times, it was the worst of times. [In September 2011] U. S. unemployment is 9.1 percent, GDP growth is anemic, the price of gold soars as fear grips the economy, and yet corporations are sitting on billions in cash, borrowing costs are at historic lows, and were in the midst of the greatest real estate buying opportunity that the United States has seen in decades. Illustrated with charts and statistics, Why Im excited about the Texas Multi-family real estate market: Investment opportunities in the Texas apartment industry is an eight-page white paper that provides a brief overview of some of the socioeconomic trends that are impacting Texas apartment industry.
