

Blessings From the Father (Urban Christian)

Mariah Green has a successful career as an advocate for battered women, but she still feels incomplete. She was raised by her maternal grandmother, Rosemary, in a Chicago housing project. Her mother, Cassandra, is addicted to drugs and has only been a fleeting presence in her life. Even more painful to Mariah is the fact that she has never known the love of a father. She's never even set eyes on him. To Mariah's surprise, she receives a call from a law firm in Hammond, Indiana. A lawyer informs her that her biological father has died, and she is the sole heir to his sizeable estate. Mariah is ready to leave Chicago behind and embark on a new lifestyle in Indiana, but she's devastated when her beloved Granny declines to join her. Things aren't always what they seem to be. Rosemary knows a little bit more about Mariah's paternal side of the family than she has let on. Join Mariah as she embarks on a spiritual journey to learn about her father and begins the healing process of understanding and forgiving her mother.
