

Will Man Survive?: The Bible Looks at Mans Future

The nineties have begun in crisis. Military aggression, economic uncertainty, chemical pollution, famine, nuclear stockpiling, Mideast tensions: Where will they lead us? J. Dwight Pentecost, one of the best-known expositors of biblical prophecy, answers the crucial questions about our future existence. Centering his approach around the end times, the tribulation, the millennium, and heaven, Dr. Pentecost speaks to such questions as: Does the Bible predict an atomic war? How long will Israel hold Jerusalem? Why will there be a tribulation? A panorama of biblical prophecy that dispels the darkness of uncertainty and shows who is really in control of humanity's destiny.
