

## Without Apology

SEXUAL HARASSMENT CASE I guess some people, and certainly the Washington hypocrisy, cant understand why the Jones Lawsuit wont go away. It affected many peoples lives whether they liked it, or not. It forced them to look at their own morality. Maybe people saw a little of Clinton in themselves. Theres always a scandal of some type in every work environment; if not, some backbiter will create one. And so it seems that most Americans were willing to give Clinton a free pass. I mean, why not? A simple apology about a misunderstanding that shouldnt have happened in the first place was all that was needed and it would have been over! We wouldnt have known about the dirty-kneed Intern, Clinton wouldnt have had to lie about it in our deposition, which cultivated the Starr investigation that launched the impeachment proceedings. . To the highest branches of Government to the smallest business enterprise, no one should be subjected to lured behavior on the job. The Jones lawsuit would not go away, simply, because it was Without Apology. This is my true story; the names have not been changed because theres no innocence to protect
