

The Worship Drama Library - Volume 4: 15 Sketches for Enhancing Worship

(Lillenas Publications). Worship drama has become a viable tool for training and outreach. The Worship Drama Library Series is a premier collection of sketches to use as sermon starters or anytime a thought-provoking dramatic presentation is needed. While such scripts are often written without closure (allowing for a follow-up sermon), open-ended and resolved scripts are both provided, giving them greater versatility. Topics covered in this volume include: time for God, empathy, vision, acceptance, Gospel simplicity, discipline, greatness of God, the workplace, integrity, pride, sloth, service and evangelism, and encouragement.
