

## Worship Feast: Dramas: 15 Sketches for Youth Groups, Worship & More

Sometimes all you need to complete a meaningful worship experience is a new skit that's easy to pull off. A drama that youth will love to perform, and one that will challenge actors and audience alike to ask serious questions about maintaining a life of faith in a not-so-faith-friendly world.

With *Worship Feast - Dramas* you will get a diverse variety of skits - both long and short - in one resource! These skits have been field-tested with real youth in real situations. Skits include -- Teach Me To Pray Survivor The Pizza Party McJesus To Go The Workers at the Mall The Sabbath Zone Sail Away ...and many more.

The current generation of young people doesn't know a time when information wasn't coming at them from every direction. They multi-task every second of their waking lives. To meet their needs in worship, we offer a variety of postmodern worship--a multi-sensory, whole-person experience. Postmodern young people are not content to be observers of worship. They want all-out participation in soul-shaping, heart-waking praise to their Creator. Postmodern worship experiences offer moments of transformation by meeting God through all of the senses. *Worship Feast - Dramas* was especially designed for youth workers and pastors who want to reach young people in their worship services by taking the sacred traditions of the worshipping church and blending them with current experiences. Serve an extraordinary worship experience to your youth. Leave them inspired . . . and full. Engage them. Move them. Make an impact.
