

21st Century Complete Guide to SAFETEA-LU, Safe Accountable Flexible Efficient Transportation Equity Act Legislation, Funding Tables, Highways, Safety, Mass Transit (CD-ROM)

This comprehensive electronic book on CD-ROM provides complete coverage of SAFETEA-LU, the Safe Accountable Flexible Efficient Transportation Equity Act: A Legacy for Users legislation, with funding tables for highways, safety, and mass transit. SAFETEA-LU authorizes the Federal surface transportation programs for highways, highway safety, and transit for the period from 2005 through 2009. There is also coverage of the earlier TEA-21, Transportation Equity Act for the 21st Century which provided surface transportation programs from 1998 through 2003. Contents include: SAFETEA-LU legislation, the full text, related congressional report, summary information, progress reports, fact sheets, funding tables including authorizations, apportionments, allocations, obligation limitations, and much more * Federal Highway Administration infrastructure programs * Turner-Fairbank Highway Research Center library of publications * Highways for Life (HFL) pilot program to accelerate the adoption of innovations and new technologies for safety and quality while reducing congestion * Operational Publications * Freight * Periodicals and Research Reports * Archive of Public Roads bimonthly magazine on federal highway policies, programs, and R&D * Archive of the Focus monthly FHWA publication which covers the implementation of innovative technologies in all areas of infrastructure This CD-ROM is packed with over 57,000 pages reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Macintosh systems. The Acrobat cataloging technology adds enormous value and uncommon functionality to this impressive collection of government documents and material.
