

You Have It in You: Empowered to Do the Impossible

By exploring the lives of the Bible's most remarkable characters, we can learn how to dig deep within ourselves and find the strength to overcome and succeed in any situation. Some of the most talented, faithful, and amazing people in the Bible didn't know that they had it in them either - not until God revealed to them the truth about their identity and abilities, often in the midst of perilous trials and challenging situations. Like these heroes of Christianity, all of us have untapped talents, unclaimed abilities, and unmerited gifts waiting to be discovered inside us. Pastor Sheryl Brady believes God wants us to peel away the layers we try to hide behind, dissolve the excuses we use as camouflage, and reveal the beauty of our true selves. By sharing her own life journey as well as examples from history and current culture, Brady challenges us to reconsider the way we see ourselves and to re-frame our own understanding of how we got there. *You Have It in You!* asks: Do you know what you're made of? More importantly, do you want to discover the strengths lying dormant inside you? Brady hopes you will be inspired to reconsider challenges as opportunities for self-discovery and faith-enrichment. She believes she can inspire in you a new perspective on all that God has brought you through and a greater awareness of all that you've accomplished and endured.
