

Zombie Apocalypse! Acapulcalypse Now!

A mysterious multi-millionaire invites a collection of rich and powerful men and women from around the world to his exclusive hotel on the coast of Acapulco. As they leave Heathrow airport, the events at All Hallows Church, which sparked the zombie plague, break out. Now the guests must battle each other, the resentful locals, the impending horde of undead, and the land itself. A spin-off novel of the bestselling *Zombie Apocalypse!* series.
